Glencoe Junior Kindergarten 2023/2024 Class Descriptions

Playtime Partners

This fun, interactive class is designed for toddlers and their parents/caregivers. Each class, the teacher intentionally sets up the classroom to touch upon the unique needs of toddler development, while enhancing their social exploration. Toddlers and parents/caregivers will be engaged in various activities including fine and gross motor activities, art, sensory, pretend play, and music. The interactive music time will incorporate props, instruments and movement activities for children and their parents/caregivers.

Who:

Children who have turned 12 months and are not yet 24 months by September 1, 2023

Schedule:

Tuesday and Thursday: 9:15am -10:15am

Monday and Wednesday: 9:15am -10:15am

Two-day 2's and Three-day 2's

Our two-year-old program is designed for children who are ready for independent play time with peers. Classes incorporate activities that foster age-appropriate development and encourage learning through play. Children engage in art, sensory experiences, gym time, music, and other activities. At the beginning of the school year, classes are staffed to assist children with separation from their parents. Each class has two teachers and an aide at the beginning of the program.

Children can attend 2, 3, or 5 days by registering for both classes.

If registering for more than one class, please list them in order of priority on the registration form.

Who:

Children who will be two by September 1, 2023

Schedule:

Two-day 2s: Tuesday and Thursday: 9:15am -11:15am

Three-day 2s: Monday, Wednesday, and Friday: 9:15am-11:15am

Lunch Bunch is also offered on select days for parents who wish to keep their children at school until noon.

Glencoe Junior Kindergarten and Nursery School

Five-day 3's

Our three-year-old program provides a rich learning environment for children in a play setting. Children will discover their world through science, math, early literacy, block play, gross motor activities, art activities, and much more. The main goals of our three-year-old program are to encourage positive peer interactions and foster strong self-esteem. Children are taught, through example, to interact with their peers and are encouraged to negotiate interactions with others. Children do not need to be fully toilet trained by the beginning of the school year.

Who:

Children who will be three by September 1, 2023

Schedule:

Monday-Friday: 9:00am -11:30am

Enrichment classes are offered on a lottery basis to supplement our three-year-old program from 11:30am-1:00pm

Junior Kindergarten

Our four-year-old class meets for four hours a day and is filled with rich, junior kindergarten experiences. Learning through play, we explore the joys of math, science, art and music, while also creating a literacy rich environment that promotes pre-reading skills and experimentation with letter-sound recognition. Through collaboration, children learn the value of teamwork and cooperation.

Class activities are designed to prepare students for kindergarten. All of our fours participate in small group learning, or "pull outs", with our Kindergarten Readiness specialty teachers. Lessons are focused on strengthening skills in the areas of literacy, math, and science.

We include a hot, prepared on-site lunch. In addition to the socialization and language development that occurs at mealtime, children are learning to manage their time during meals, a necessary skill for kindergarten.

Our goals for children completing the four-year-old program are:

- gain an age-appropriate academic foundation
- foster a love of learning
- encourage respect for self and others
- build great self-esteem

Who:

Children who will be four by September 1, 2023

Schedule:

Monday-Friday: 11:30-3:30pm; Flexible pick up time available

Enrichment classes are offered on a lottery basis to supplement our JK program 10:00-11:30am
