Parental Sportsmanship Agreement

This agreement is between you, the parents, and the referees and coaches of the Glencoe Park District. This agreement is intended to prevent parental intervention into the playing of the game.

One of the perceived problems with athletics is inappropriate parental complaints and overzealous actions toward the players, coaches and referees during the playing of the game. Your "job" as a parent is to root for your child and your child's team, not to complain about the referee's calls or the coaching and decision making of the volunteer parents. Athletics provides an opportunity for our children to learn about good sportsmanship in a team sport environment. They do not often learn this in school. They learn sportsmanship by example; and you, the parent, are your child's best example. By signing the registration form, you agree to be an active (or passive), but positive, fan at the game; not a disruption. The first offense for disrupting an athletic game or event or others' enjoyment of the game, will result in a warning to the parent and possible suspension from attendance for one game. A second offense will mean that you will not be allowed to attend your child's games or event for the remainder of the season. If you continue to
